- REACH Reusables Thrift Store Bag Sale is February 23rd through Feb. 25th. Check out the [store sales](#) section of our Facebook fan page for other specials throughout the month.
- Next month is Hunger Awareness Month. MN FoodShare sponsors the March Campaign which is a state-wide food drive aimed at raising awareness of hunger issues in our communities. You can help fight hunger by making food and/or monetary donations at REACH during the month of March. Minnesota has a "Food Fund" that will distribute dollars to food shelves based on their participation and results in the March Campaign and the number of individuals served. We appreciate any support we receive.

On-going Program:

WE CARE program thru Central Market in Detroit Lakes, MN and other cities. A percentage of each purchase at Central Market in Detroit Lakes is given as a donation to REACH.

- 1) Shop at Central Market,
- 2) Ask for WE CARE stamp,
- 3) Bring stamped receipt to REACH office or REACH Reusables Thrift Store.

That simple!
